

## What's behind your walls might be scarier than what's under her bed.

It's easy to get rid of monsters, but unfortunately, water damage lurking behind your walls doesn't disappear when you turn on the lights.

What's more, new laws limit damages for homes built within the last decade. So, even if you've been assured that your problems will be fixed, you may be facing a monster of a repair bill. To learn more about solving water intrusion problems and stucco defects, and to understand your rights and responsibilities as a homeowner, call us or visit [www.mnwaterintrusion.com](http://www.mnwaterintrusion.com).
